**ORDER GRANTING IN PART MOTION TO COMPEL DISCOVERY**

In this Fair Labor Standards Act case, Plaintiff moved to compel production of documents relating to commissions and bonuses received as part of his compensation. In support, Plaintiff offered documents showing he received commissions and bonuses. ECF 13-4. Plaintiff says Defendants did not produce these documents; Plaintiff had them already. So Plaintiff is concerned that other similarly relevant material might exist, which Defendants have yet to produce.

At a telephonic hearing, Defendants' counsel represented that the documents in question are in the possession of a third party, and Defendants are attempting to obtain and produce them.

For these reasons,

**IT IS ORDERED:**

1. Plaintiff's motion to compel, ECF No. 13, is **GRANTED IN PART**.
2. Within 14 days of the date of this order, Defendants must produce to Plaintiff documents relating Plaintiff's pay and its apportionment, specifically commissions and bonuses paid to Plaintiff in the relevant time period. But Defendants need not reproduce what has already been provided.
3. This Court will reserve ruling on the balance of the motion to compel and the expenses of the motion.

**SO ORDERED on February 3, 2015.**
